Reading sentences

1. You may cut out the sentences into smaller strips. Or feel free to use each page as a whole.
2. The words I used to create these reading sentences are from the Dolch sight words list for Pre-K and Kindergarten.
3. You will also find numerous CVC words.
4. Some sentences are accompanied by pictures. Practice those first. Then let your child move on to the more difficult ones.

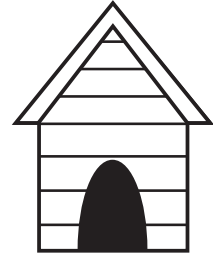

Here are all the words your children will practice:
